

IMPORTANT NEWS ABOUT YOUR GROUP LIFE INSURANCE

Dear fellow member,

Kentucky Group Life Insurance recently advertised for competitive bid life insurance services through the state procurement process. We wanted you to know that we are excited to announce our continuing partnership with Nationwide Life Insurance Company. Our goal is to provide you and your family the best possible coverage options, administration, and customer service. Please review the following information on changes in coverage and costs that occurred during the bid process:

KGLI will offer two new state sponsored life insurance plans of \$25,000 and \$50,000, and you can expect very minor changes in rates. If you have additional Optional coverage and are under the age of 40, your rate will decrease to \$0.24 per \$1,000 of coverage. For those of you who are 60 and over, the rate will be \$0.98 per \$1,000 of coverage. All other rates for Optional and Dependent coverage will remain the same. These options are provided to you in addition to the employer-provided Basic life insurance coverage of \$20,000.

Additionally, the two new options listed above and any additional coverage you desire will be available during Open Enrollment this October, via KHRIS Employee Self-Service (ESS). Elected coverage will be effective January 2015. Additional information will be available on the following site:

<https://personnel.ky.gov/Pages/LifeInsurance.aspx>

This will not be a mandatory enrollment for Kentucky Group Life Insurance, just an opportunity for the first time since 2010 to add, or enhance your coverage. If you are satisfied with your current level of life insurance coverage you will not need to re-enroll. If you are a Kentucky Employees' Health Plan (KEHP) cross-reference participant, both employees will be able to participate in the life insurance options separately.

The life insurance contract is underwritten by Nationwide Life Insurance Company.

To obtain the Certificate of Coverage, please click [here](#) or see your insurance coordinator or HRG.
